## MAGICAL WEAVES

Textiles have been a prominent part of India's legacy, with a special mention in our heritage. Through the ages, changes occurred in the way textiles were made, materials they were made of and the ways in which they were embellished. Vibrant colours, stunning weaves, vivid motifs and patterns come to life through the weaver's imagination on the home textiles of India. These modern day textiles are a perfect blend of traditional designs and modern techniques, bringing together yarn blends, fusions, appliqué, tie & dye, hand block printing, embroidery, zari craft, mirror & bead work, quilting, flocking, hand painting, etc. Sourced from across India, from different craft clusters, the carpets, rugs and flooring display excellent workmanship and finest of design and construction trends.

## EXQUISITE DECOR

Exquisite manifestations of India's skilled craftsmanship have carved a distinct identity for themselves to win respect rich and garnered exotic appeal worldwide. Customised and innovative decorative pieces and collectibles represent the union of vintage and ethnic elements moulded to modern sensibilities and design sense. Home accents, nautical, wall definers, utilities like flatware and tablewares, spa and hotelware all emphasise on material and design innovation to add style to the rooms they adorn while representing matchless designs in contemporary and ethnic tastes.

## LUXURIOUS ELEGANCE

India's rich heritage of woodwork both in design complexity, dexterity of using other materials for inlay and explicit workmanship is a nostalgic remembrance of the country's royal heritage. Distinct assortments of furniture and furniture accessories with artistic fittings in wood, metal, combinations and blends, enriched with carvings, etching, inlays, paints, polish etc. are a perfect harmony of the rich legacy and the modern artistic direction. Patterns, textures, accessories and ornaments infuse life into outdoor spaces and spell grandeur into indoor spaces, baths, spas, resorts and hotels.

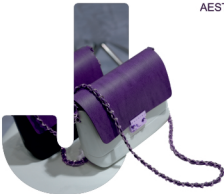

## FESTIVE EXPRESSIONS

Symbolic of auspiciousness, prosperity and good health, lamps have been artistically embellishing since ancient times in India. Enthused with the festive spirit, the lamps and lightings are an expression of art and varied cultural influences that spread positivity and cheer to the global audience. Traditional incandescent lights, tree ornaments, thematic candles, handrolled incense & aromatics table top knick knacks, gifts and embellishments add to the attraction of the collection. Eco-friendly, hand-crafted paper and paper products like sheets, notebooks, albums & planners, cards & greetings, envelopes and table top accessories embrace the festive and cheerful strain. Exotic aroma therapy and wellness products like bath products, cleansers, fragrances, therapeutic candles, potpourri, etc. invigorate the indulgent enthusiast.

## AESTHETIC EMBELLISHMENTS

The jewellery of India is a striking expression of the country's aesthetic and cultural history, its beauty lying in the unique designs and the workmanship involved in achieving the intricacy. Interesting manifestations of contemporary, art- inspired jewellery incorporates the centuries old rich tradition with bold, whimsical modern statements, fine detailing and eclectic shapes, stones, crystals, beads, metals and mixed media.
